

The **fastest** way to **connect** to local deals.SM

Access savings on the go in your neighborhood!

Download the **FREE** PerksConnect mobile app from the iPhone App Store or Android Marketplace. A mobile web version is available for BlackBerry users at m.perksconnect.com. Use your current PerksCard Network login credentials to create your mobile account. Set your location by zip code and you'll be connected to instant savings at thousands of local and national merchants.

PerksConnect Features Include:

-  **Hot Deals** Some deals are too good to be offered all the time so when available they are labeled as a Hot Deal. These Hot Deals come and go so make sure to check them out before their gone!
-  **Favorites** Add a merchant to your list of favorites by selecting the yellow favorite star next to their offer. Easily search your favorite merchants and receive special offers and messages.
-  **Messaging** Add merchants to your Favorites to receive special messages for exclusive offers and events.
-  **Most Popular** Most Popular merchants have been selected as a Favorite by PerksConnect members the most. Check out these merchants that come recommended by other PerksConnect members.
-  **QR Code** Scan QR Codes from member businesses and go directly to their offer.
-  **GPS Navigation** Search for offers in your neighborhood or wherever you are with GPS Navigation.
