

Fantasy in Lights is a magical five-mile journey through a breathtaking display of dazzling lights – some eight million in all – and 14 beloved holiday scenes, all set against a backdrop of shimmering lakes and woodland Gardens. Plus, there’s the Christmas Village, where guests can delight in the merriment of the season and watch little ones’ eyes light up as they whisper their wishes to Santa. Christmas is truly spectacular at Callaway Gardens.

As a preferred partner of Callaway Gardens, State of Georgia employees are offered a very special holiday gift: \$7* Fantasy In Lights tickets!

Important information State of Georgia employees need to know:

- For **State of Georgia** employees, specially priced tickets are available for the following days:
