The Auto Club Group and Bud Light provide the *Tow to Go* service to discourage an impaired driver from getting behind the wheel and risking the lives and safety of other motorists. Not only does *Tow to Go* remove the intoxicated driver—it also enables AAA and Bud Light to remind the public to always choose a designated driver for a safe ride home.

IMPORTANT TOW TO GO GUIDELINES:

- Tow trucks can take up to two people home; if there are more people in your party—you will need to make other arrangements to get home safely
- You can't make an appointment to use the Tow to Go service, it is designed to be used as a last resort so have a designated driver before you have your first drink
- It may be necessary, in certain situations, for AAA to contact a cab company or local law enforcement to assist with getting the intoxicated individual a safe ride

Tow to Go is a program of The Auto Club Group Traffic Safety Foundation. The mission of the Foundation is to produce a significant and continuous reduction in traffic crashes, injuries and deaths in the communities targeted by our efforts.
