

The *Tow to Go* program helps to prevent impaired drivers from getting behind the wheel and endangering themselves and others on the roadway. A program of AAA – The Auto Club Group, it reminds party-goers of the importance to plan ahead by choosing a designated driver, staying where you are celebrating, or arranging for another form of safe transportation such as AAA's *Tow to Go* program.

The *Tow to Go* program operates on most major holidays and offers a free, safe ride to any driver* who is alcohol or drug-impaired – AAA member or not. Over the past two decades, the *Tow to Go* program has been instrumental in preventing more than 25,000 impaired drivers from getting behind the wheel.

Important *Tow to Go* guidelines:

- Tow trucks can usually transport up to two people in the cab of the truck. If there are more people in your party, you will need to make other arrangements to get them home safely.
- You can't make an appointment to use *Tow to Go*. It is designed as a safety net for those that did not plan ahead. Always choose a Designated Driver before celebrating.
- In some situations, AAA may need to make other arrangements to get an impaired individual a safe ride home.
- *Tow to Go* may not be available in rural areas or during severe weather conditions.
