

GA STABLE/P2C Matching Scholarship

The Office of the State Treasurer (OST) is partnering with Georgia’s Path2College 529 Savings Plan (P2C) and the Georgia STABLE Program to offer the GA STABLE/P2C Matching Scholarship of up to **\$2,500** for eligible existing or new Georgia STABLE account owners. The award amount will be a dollar-for-dollar match based on net contributions made to an eligible recipient’s Georgia STABLE account between July 1 and December 31, 2023. Net contributions are deposits less withdrawals made during the same period.

The GA STABLE/P2C Matching Scholarship Program is designed to encourage families with children with disabilities to save for future educational expenses through Georgia’s P2C 529 Savings Plan.

Matching Scholarships will be awarded on a first-come, first-served basis for new or existing Georgia STABLE account owners who apply by entering the scholarship promotion code “MATCH2023” through your Georgia STABLE account.

Who Is Eligible?

ABLE qualified Georgia residents ages 18 and under with net contributions made to their new or existing Georgia STABLE accounts between July 1 and December 31, 2023.

How It Works:

Once an existing or new Georgia STABLE account has been opened, qualifying applicants apply for Matching Scholarships by logging in to your Georgia STABLE account and entering the scholarship promotion code, “MATCH2023,” at <https://georgiastable.com/gateway>.

Matching Scholarship recipients will be notified of their awards in early 2024 and given instructions on redeeming them. Each recipient must open a P2C account and follow instructions to redeem their awards into their P2C account. The GA STABLE/P2C Matching Scholarship Program allows award recipients flexibility to claim awards when they want and in desired amounts for qualified education expenses. When recipients claim their awards, they will receive information explaining how to open a P2C savings account to receive the scholarship funds.

Matching Scholarship funds will be held in the GA STABLE/P2C Matching Scholarship Trust until recipients claim awards to fund their P2C accounts.
