Cross Accumulation	All deductibles, plan maximums, and service specific maximums cross accumulate between in and out of network. Benefit frequency limitations are based on the date of service and cross accumulate between in and out of network.	
Benefits Maximum	The plan will only pay for covered charges up to the yearly Benefits Maximum, when applicable. Benefit specific maximums may also apply.	
Deductible	This is the amount you must pay before the plan begins to pay for covered charges, when applicable. Benefit specific deductibles may also apply.	
Alternate Benefit Provision	When more than one covered Dental Service could provide suitable treatment based on common dental standards, Cigna HealthCare will determine the covered Dental Service on which payment will be based and the expenses that will be included as Covered Expenses.	
Oral Health Integration Program	<p>The Cigna Dental Oral Health Integration Program offers enhanced dental coverage for participants with certain medical conditions. There is no additional charge to participate for in the program. Those who qualify can receive reimbursement of their coinsurance for eligible dental services. Eligible participants can also receive guidance on behavioral issues related to oral health. Reimbursements under this program are not subject to the annual deductible but will be applied to the plan annual maximum.</p> <p>For more information and a complete list of terms and eligible conditions, go to www.mycigna.com or call customer service 24/7 at 888.764.0099 (888.SOG.0099).</p>	
Reimbursement Level	For services provided by a Cigna Dental PPO network dentist, Cigna Dental will reimburse according to a Fee Schedule or Discount Schedule. Cigna Dental will reimburse based on the Maximum Reimbursable Charge. For this plan, the MRC is calculated at the 80th percentile of all provider submitted amounts in the geographic area. The dentist may balance bill up to their usual fees.	
Timely Filing	Claims submitted to Cigna after a specified number of months from date of service could be denied. Please see your Certificate or Plan Document for detail.	
Pretreatment Review	Pretreatment review is available on a voluntary basis when dental work in excess of \$200 is proposed by the provider.
