

The 2026 **Georgia State Charitable Contributions Program (GASCCP) Campaign** runs from **September 15th thru November 13, 2026**. This year our theme is **“Serving People, Strengthening Communities”**.

The Georgia State Charitable Contributions Program (GASCCP) is an annual fundraising effort that allows State employees to donate to their favorite charitable organizations through the convenience of payroll deductions or one-time gifts. The GASCCP is organized and administered by the Human Resources Administration division of the Department of Administrative Services.

Over the past several years, State of Georgia and University System employees have donated an incredible \$2,504,507.19 to vital charitable organizations worldwide. Every dollar you contribute directly supports positive, essential programs that shape a better future for our state and our world.
