**Enrollment Guide**

**PLAN YEAR**

**January 1 - December 31, 2021**

**Together, all the way.®**

Offered by Cigna Health and Life Insurance Company

## Words to know.

As you go through the guide, understanding some words and phrases will help.

**Deductible:** An annual amount you'll pay out of pocket before your dental plan begins to pay for covered dental care costs.

**Copay:** A preset amount you pay for your covered dental care services.

**Calendar year maximum:** The most your plan will pay for your dental claims during the plan year. Once you reach that maximum, your plan will no longer pay a percentage of your costs for the rest of that plan year.

**In-network:** Dentists and facilities that have contracts with Cigna to deliver services at a negotiated rate (discount). You'll usually pay a lower amount for those services.

**Out-of-network:** A dentist or facility that doesn't take part in your Cigna plan's network and doesn't provide services at a discounted rate. Using an out-of-network dental care professional or facility will usually cost you more.

## For 2021, the State of Georgia is offering the Cigna Dental Care® (DHMO<sup>1</sup>) plan.

BENEFITS	WHAT IT MEANS TO YOU
Fixed copays	When you enroll in the Cigna Dental Care (DHMO) plan, you receive a Patient Charge Schedule, or “PCS.” The PCS lists the specific dental procedures covered by the plan and the amount you pay the dentist. These copays apply even if you see a specialist.
Access to a DHMO network dentist where you need one	This helps you and each of your enrolled family members choose a network dental office that’s convenient to your home, work or school.
No deductibles or waiting period	There is no amount you have to pay, no period of time you have to wait, before your coverage begins. Instead, you can visit a network dentist immediately after your coverage begins and pay only the copay listed on your PCS.
No calendar year or lifetime dollar maximums	With the Cigna Dental Care (DHMO) plan, “no maximums” means that your coverage is not limited to a certain dollar amount.
No paperwork	Since you simply pay the copay when you visit the Cigna Dental Care (DHMO) Access Plus network dental office, there are no claim forms to file. If you need to see a specialist, your assigned network general dentist will fill out the specialty referral paperwork for you. Referrals aren’t required for network pediatric dentists for your children under 13 years old or for network orthodontists if you or your family member need braces.

### Easy to use

- › There are no claim forms to submit when using network dentists. When your PCS lists a copay, pay that amount to the dentist directly after you receive care.

### Easy on your wallet

# Introduction

The following is a list of health care providers in this area who are in the Cigna network. Some providers may have been added or removed from a network after this directory was printed. We do not guarantee that each provider is still accepting new patients. For current customers, always refer to your Cigna ID card for help to determine the name of your Cigna network and benefit plan or to identify the health care providers that are in-network for your plan. If you are a potential customer, please refer to the benefit plan and network names included in your enrollment materials. To get the most up-to-date information about the in-network providers in your area, use our online directory ([www.cigna.com](http://www.cigna.com) or [www.mycigna.com](http://www.mycigna.com)) or call Cigna Customer Service at the toll-free number on the back of your Cigna ID card. Also, please check with the provider before scheduling your appointment or receiving services to confirm he or she is in Cigna's network.

Before joining the Cigna network, health care professionals must meet Cigna standards through a process called credentialing. We regularly review credentials to help ensure they continue to meet these standards.

## Language Assistance and Access

Directory listings include languages other than English (if any), spoken by the health care professional (HCP) or by an office staff member who the HCP has identified as a qualified medical interpreter. However if you have difficulty understanding English, we offer language assistance and interpretation services at no cost to you. For help please call the Customer Service number on the back of your ID card. If you do not have or are unable to locate your ID card, please call 1.800.244.6224.

If you have a hearing or speech loss and use Telecommunications Relay Services (TRS) or a Text Telephone (TTY), dial 711 to connect with a TRS operator.

Si le cuesta comunicarse en inglés, ofrecemos asistencia de idioma y servicios de interpretación sin costo alguno para usted. Para obtener ayuda, comuníquese con el número de Servicio al cliente que figura en la parte de atrás de su tarjeta de identificación. Si usted no tiene o no puede encontrar su tarjeta de identificación, llame al 1.800.244.6224. Si tiene algún impedimento auditivo o del habla y desea usar el servicio de retransmisión de telecomunicaciones (TRS, por sus siglas en inglés) o un teléfono de texto (TTY, por sus siglas en inglés), marque 711 para comunicarse con un operador del TRS.

We expect our contracted providers to meet all applicable federal requirements for accessibility as specified in the Americans' with Disabilities Act (ADA) and its regulations. In general, the ADA requires that health care providers offer individuals with disabilities full and equal access to their health care services and facilities, however there can be some exceptions. In order to ensure a provider's location meets your own access needs please contact that provider directly before scheduling an appointment to obtain care.

## Source of Information and Frequency of Validation

Dental health care professional information addressing specialty, dental office/practice affiliations, acceptance of new patients and languages spoken is obtained from an application that is completed and signed by the health care professional and/or through a third-party vendor. Information is updated when the dental health care professional notifies Cigna, and/or the third-party vendor, of changes or at least every three years. The information in this directory is not intended to be the only or primary means for selecting and evaluating a dentist or comparing dental professionals. It is not intended to be relied upon as advice, a recommendation or an endorsement about which facility or provider to select or the quality of the dental treatment that you receive from a facility or provider. You are solely responsible for any and all decisions with respect to your dental treatment. Never disregard, avoid or delay in obtaining dental advice from your provider or other health care professional because of something that you have read in this directory as is not intended to be a substitute for professional dental advice.

# CIGNA DENTAL CARE® PLAN PATIENT CHARGE SCHEDULE

**This Patient Charge Schedule lists the benefits of the Dental Plan including covered procedures and patient charges.**

### Important highlights

- This Patient Charge Schedule applies only when covered dental services are performed by your Network Dentist, unless otherwise authorized by Cigna Dental as described in your plan documents. Not all Network Dentists perform all listed services and it is suggested to check with your Network Dentist in advance of receiving services.
- This Patient Charge Schedule applies to Specialty Care when an appropriate referral is made by your Network General Dentist to a Network Specialty Endodontist, Periodontist or Oral Surgeon. A referral is not required for Specialty Care at a Network Specialty Pediatric Dentist or Orthodontist. You may select a Network Pediatric Dentist for your child under the age of 13 by calling Customer Service at **1.800.Cigna24** to get a list of Network Pediatric Dentists in your area. Coverage for treatment by a Pediatric Dentist ends on your child's 13th birthday; however, exceptions for medical reasons may be considered on an individual basis. Your Network General Dentist will provide care upon your child's 13th birthday.
- Procedures not listed on this Patient Charge Schedule are not covered and are the patient's responsibility at the dentist's usual fees.
- The administration of IV sedation, general anesthesia, and/or nitrous oxide is not covered except as specifically listed on this Patient Charge Schedule. The application of local anesthetic is covered as part of your dental treatment.
- Cigna Dental considers infection control and/or sterilization to be incidental to and part of the charges for services provided and not separately chargeable.
- This Patient Charge Schedule is subject to annual change in accordance with the terms of the group agreement.
- Procedures listed on the Patient Charge Schedule are subject to the plan limitations and exclusions described in your plan book/certificate of coverage and/or group contract.
- All patient charges must correspond to the Patient Charge Schedule in effect on the date the procedure is initiated.
- The American Dental Association may periodically change CDT Codes or definitions. Different codes may be used to describe these covered procedures.

1. The term DHMO ("Dental HMO") is used to refer to product designs that may differ by state of residence of enrollee, including but not limited to, prepaid plans, managed care plans, and plans with open access features. The Cigna Dental Care plan is not available in all areas. There are no out-of-network benefits, except for emergencies or where required by law.
2. Referrals are not required for network orthodontists or pediatric dentists.
3. A benefit is paid for covered out-of-network emergency dental care. Certain states mandate coverage for dental care received out-of-network. For example, in Minnesota, the plan will pay 50% of the value of your network benefit for covered out-of-network services. In Oklahoma, the plan will pay the same amount it pays network dentists for covered out-of-network services. You are responsible for any charges not covered by the plan. Other states may have similar mandates. Refer to your plan documents for cost and coverage details.

The information in this brochure is provided as a guide only. Make sure to read all your enrollment information thoroughly as plan details may vary. If there are any differences between the information in this brochure and the official plan documents, the terms of the plan documents will prevail.
